The two spaces will be a continuation of the Tallaght public realm scheme from Cookstown to the County Hall as approved under separate Part 8 application reg. ref: SD208/0005 in 2020. This proposal is supported by URDF funding as part of Project Ireland 2040.

- Proposed works to include extension of outdoor seating to Rua Red and Betelnut cafes to include parasols, tables and chairs and associated works
- All ancillary site development and landscape works, including public lighting, repaving, furniture, seating, pathways, planting, surface water drainage, boundaries, and road surface upgrade to part of Blessington Road.

The proposal has undergone Appropriate Assessment Screening under the Habitats Directive (92/43/EEC) and screening for Environmental Impact Assessment (EIA) under the EIA Directive 2014/52/EU. The Planning Authority has made a preliminary examination of the nature, size and location of the proposed development. The authority has concluded that there is no real likelihood of significant effects on the environment arising from the proposed development and a determination has been made that an EIA is not required.

Any person may, within 4 weeks from the date of this notice, apply to An Bord Pleanála for a screening determination as to whether the proposed development would be likely to have significant effects on the environment.

**Due to Covid-19 restrictions, plans and particulars of the proposed scheme will be available for inspection or purchase at a fee not exceeding the reasonable cost of making a copy for a period of four weeks from Thursday 5<sup>th</sup> August 2021 only by appointment at the offices of South Dublin County Council, County Hall, Tallaght, Dublin 24, and available online on the Consultation Portal.**
