

1 . Existing Site Demolitions Plan

1 : 1000

- Notes
 - Do not scale drawings. All dimensions should be checked on site. Errors to be reported to architect to be read in conjunction with all relevant architect and engineer's drawings.
 - Contractors, sub-contractors and suppliers verify any critical dimensions on site prior to fabrication of any building element. Any discrepancies to be reported to the architect.
 - This drawing should be read in conjunction with relevant specifications, engineer's and specialist consultants information. Any discrepancies reported prior to installation.

The image consists of three separate rectangular blocks, each containing a different colored hatching pattern. The top block is orange and features a series of parallel diagonal lines sloping upwards from left to right. The middle block is purple and features a series of parallel diagonal lines sloping downwards from left to right. The bottom block is red and features a series of parallel diagonal lines sloping upwards from left to right, similar to the orange pattern but in a different color.

- Buildings to be demolished
- Grange House to be retained
Clonburris SDZ PS
- Building is to be demolished
of the Clonburris South Link
