Landowner

We would like to change the parcel of landed listed below from the current Residential Zoning to Mixed Use Zoning. Lucan District Credit Union purchased this land in June 2024 for the purposes of developing a credit union building. This would include a banking hall and office space. This would be a significant development for the credit union as we work to improve services to the members of our community.

Parcel ID: SDLA00041123

Príomh-thuairim:

We are applying for a variation in the current zoning from residential to mixed use for the development of a credit union building , following the receipt of planning permission.

Príomh-iarratais:

We are looking for a change of use. This property is on a busy main road into Lucan and is very suitable for the development of a small office building for the credit union to improve our services to the local communities of Lucan and Adamstown.

Main reasons:

The credit union purchased this land in 2024 specifically for the development of a small office building to house our banking hall and office space to future proof the credit union. We are outgrowing our current facilities.
