Third Party

Hi,

I'm writing to object to the use of St Edmundsbury land in lucan, to be used for residential or any large building works.

It is one of the few natural lands in the area that houses wildlife and is used for the mental wellbeing of many people in lucan. It would be a terrible idea to ruin something that has a huge place in the hearts of local people.

Also, adding any more traffic into an already massively congested area such as this area, will create more accidents as drivers often drive recklessly in the area due to frustration.

Please don't add St Edmundsbury land for the use of any big building project

***Príomh-thuairim:***

St Edmundsbury should not be used for any residential or large building project

---

***Príomh-iarratais:***

Exclude St Edmundsbury land from any big building plan/ residential plan

---

***Main reasons:***

Natural wildlife habitat . Natural beauty. Local mental health. Congested traffic. Heart of the community
