Litir Chumhdaigh

I am a resident in the citywest area. I have been living here for the past 8 years and am increasingly concerned about the amount of building in the area- but a lack of any amenities.

Observations:

Volume 1: Written Statement

Caibidil: Volume 1: Written Statement

I have been living in Citywest for the last 8 years. Over the last 5 years- we have seen hundreds of new houses/apartments being built. Almost every green space is now gone.

It is common knowledge that there is an increase in the amount of anti social behaviour particularly around the Citywest shopping centre, so much so that many of us will not go to the centre once it's evening as it is very intimidating with gangs of teenagers hanging around.

There is no plan for any amenities here- a library,an astro pitch/ sports pitch or a better serviced playground would go a long way.

In our estate(Westbrook lawns), the green space is uneven and the grass is rarely cut so children cannot use it for sport.

kind regards
