Observations:

Chapter 13: Implementation and Monitoring

Caibidil: Volume 1: Written Statement » Chapter 13: Implementation and Monitoring

The lands located at Westpark Apartments, Gartons Lane, Saggart, Co. Dublin comprise 6 No. apartment buildings with 84 No. residential units, which are managed by an approved housing body, further to a significant refurbishment and renovation of the existing building completed in 2019. This submission seeks to rezone the lands at Westpark to recognise the existing residential use of these lands. It is therefore requested that they be zoned Objective RES: To protect and/or improve residential amenity under the new Development Plan.
