Ref Section 4.2.5 Landscape, Natural, Cultural and Built Heritage Amendment 4.9

I support the need to protect the Woodlands in Rathcoole giving the Council's finding that 'overall the site is currently considered to be of County ecological importance for its mosaic of Annex I (priority) habitats, species-rich semi-natural habitats, heritage value hedgerows, wetland habitats and mosaic of wooded and non-wooded semi-natural habitats which are rare in County Dublin'.
