RE: CDP MATERIAL ALTERATIONS – PUBLIC CONSULTATION

Dear Sir / Madam,

Thank you for considering accepting our observations and including our edits in the Material Alterations to the Draft County Development Plan.

| Section | Comment |
|---|---|
| Section 2 - Table 11 Core Strategy Table | We note the population for the Newcastle area has increased from 5,039 up to 5,122. There are no strategic issues with this. Any local upgrades will be developer led. |
| Section 2.6.1 - CS2 Objective 1 | We note that going forward, all references to Naas Road/Ballymount Lands throughout Chapter 2 to be updated to City Edge/City Edge Strategic Framework. I.W. will engage with South Dublin County Council in the preparation of this LAP. |

We have no further observations at this time. Irish Water will be available to support the Council throughout the remainder of the County Development Plan Process.

Yours Sincerely,
