Re: South Dublin County Draft Development Plan 2022-2028–Material Amendments

Dear Sir/Madam,

On behalf of Lucan Golf Club, we would like to submit the following observations in relation to the SDCC development plan 2022-2028.

Lucan Golf Club is pleased to note the retention of Zoning Objective RU in the area surrounding the club's southern lands, and the retention of Zoning Objective OS on the current grounds of the club.

R403 and Western Orbital Route

Lucan Golf club notes the plan to establish a road connection between the N7 and the N4 Leixlip Interchange which protects the scenic Liffey Valley parklands, and amenities at Lucan Demesne and St Catherine's Park and Lucan Village. Given the boundary of our course with the R403, we request that any proposed expansion of this road consider the continued enjoyment of our course and seeks to maintain Lucan Golf Club as a key recreational area for the people of Lucan and the surrounding areas.

The club would appreciate advance communication in respect of any development which could impact the continued safe enjoyment of our facilities.

Pat Barrett, General Manager

For and on behalf of Lucan Golf Club
